- Tribute to Dr. Allama Muhammad Iqbal on Iqbal Day
- Joyful celebration of Children's Day
- Successful conduct of First Term Examination 2025-26
- Continuous teacher capacity building and professional

## Monitoring and Quality Support

### Visit by SEF Officials

On 18 November 2025, Ms. Parveen Umer, Regional Head Hyderabad-II, along with Mr. Syed Rashid Shah, District Head Sujawal, and the P&P team, visited PSP School Mirpur Bathoro as part of a monitoring and support visit. The team reviewed academic practices, observed classroom activities, and assessed overall school management to ensure academic quality. The visit provided valuable guidance and reinforced the school's commitment to continuous improvement and quality education.

## Early Childhood Care & Education (ECCE) Activities

### Fine Motor Skills Development

ECCE students actively participated in fine motor skill-building activities, including safe cutting with scissors under teacher supervision. The activity enhanced hand-eye coordination, concentration, and early learning skills.

### Creative Play Dough Activity

Students engaged enthusiastically in a hands-on play dough activity. This creative exercise supported the development of fine motor skills, imagination, and self-confidence through joyful learning.

## Academic & Classroom Activities

### Science Laboratory Activities

Students conducted hands-on science activities using pH paper to identify the acidity and basicity of substances, while also learning about human and plant body parts through practical demonstrations. These activities enhanced students' understanding of basic science concepts and strengthened their analytical, observational, and curiosity-driven learning skills.

### Student Presentation

Students confidently presented the topic Photosynthesis, explaining how plants prepare food using sunlight, water, carbon dioxide, and chlorophyll, while releasing oxygen. The presentation highlighted the importance of photosynthesis in sustaining life and maintaining ecological balance, while improving students' communication and confidence.

## Physical & Co-Curricular Activities

Students actively participated in structured physical education sessions and Sports Gala Week with great enthusiasm and commitment. These activities promoted physical fitness, discipline, teamwork, and leadership, while also nurturing confidence, resilience, and sportsmanship among students. The initiative reflects the school's strong commitment to holistic student development and the promotion of a healthy, well-balanced learning environment.

## Special Days & Celebrations

**International Day of Peace:** The day was observed with enthusiasm through speeches and tableaus emphasizing peace, harmony, tolerance, and mutual respect. Teachers highlighted the significance of peace in daily life, fostering unity among students.

**Teachers' Day:** Teachers' Day was celebrated with great respect. Students expressed gratitude through heartfelt speeches. Appreciation certificates were awarded to all teachers, followed by a lunch in their honor, reflecting admiration for the teaching profession.

**Iqbal Day:** Students paid tribute to Dr. Allama Muhammad Iqbal through speeches and tableaus. The program highlighted his vision, philosophy, and message for youth, encouraging character building, self-improvement, and hard work.

**Children's Day:** Children's Day was celebrated joyfully through tableaus, speeches, and engaging activities. The event emphasized the importance of nurturing children as future leaders and nation builders, promoting confidence, unity, and responsibility.

## Parent & Community Engagement

### Parents-Teachers Meeting (PTM)

The PTM was successfully conducted, during which teachers shared students' academic performance, formative assessments, syllabus coverage, and the schedule for the First Term Examination 2025. The meeting strengthened parent-teacher collaboration for improved learning outcomes.

### Guest Speaker Session – Health Awareness

An interactive health awareness session was conducted by the Assistant District Health Officer (ADHO) Sujawal along with the health team. Topics included Rubella, Measles, Dengue, Malaria, and Personal Hygiene. Educational cards enhanced student engagement and understanding of preventive health measures.

## Assessments & Examinations

The First Term Examination commenced on 22 October 2025, followed by the Formative Assessment conducted on 20 December 2025. In both assessments, students participated with seriousness and dedication, demonstrating strong academic discipline, effective preparation, consistent engagement, and a clear commitment to continuous learning and academic excellence.

## Teacher Training & Professional Development

RDF, in partnership with SEF, recently organized teacher development programs to enhance teaching quality in its schools. A One-Day Capacity Building Program on the A-4 Lesson Plan and a session on Item Writing & Bloom's Taxonomy strengthened teachers' lesson planning and assessment skills.

Additionally, a Three-Day Winter Training for Mathematics teachers in Hyderabad, led by Mr. Arslan Ahmed Sheikh, concluded with a certificate ceremony celebrating teachers' commitment to professional growth. These initiatives reflect RDF's ongoing efforts to build teacher capacity and improve education outcomes.
